JOIN YOUR PTSC (PTO with a twist)!

The Northern Burlington Parent Teacher Student Connection is an organization committed to educational excellence for our students. We have chosen to call ourselves the PTSC to more closely identify our mission to encourage and facilitate the connection between Northern parents, teachers, and students. We recognize that we do this by developing a close working relationship with Northern administration and fostering a community spirit in our schools. Your membership and support will ensure the future of our organization.

Membership is open to all parents, students, and staff at Northern Burlington Regional Schools. Membership cost is \$5.00 per family, \$1.00 if a student wants to join individually, and \$3.00 for teachers/admin. Membership reserves the right for all registered family members to vote on PTSC issues and is good for one full school year. Following is a brief list of events that the PTSC sponsors. We look forward to a successful year and are ready for your suggestions! **WELCOME!**

- ❖ SCHOOL DIRECTORY
- ❖ WELCOME PACKETS FOR NEW FAMILIES
